

The 15th Jungian Odyssey
Annual Conference & Retreat

“I thought and spoke much of the soul. I knew many learned words for her. I had judged her and turned her into a scientific object. [...] Therefore the spirit of the depths forced me to speak to my soul, to call upon her as a living and self-existing being. I had to become aware that I had lost my soul.”

• C.G. Jung, *The Red Book: A Reader's Edition*, Phil-emon Series (NY: Norton & Co., 2009), p.128 [2].
