

CELEBRATING PETER AMMANN'S 95th BIRTHDAY!

Federico Fellini: From Personal Story to Mythical Event

16–17 October, 2026
Karl der Grosse
Kirchgasse 14, 8001 Zürich

Filming of *Satyricon* – Sitting: Federico Fellini; on the far right: Peter Ammann

After graduating from the C.G. Jung-Institute in Zurich, I wished to go into filmmaking. I adored Fellini's films and knew he admired Jung and had been in Jungian analysis. I went to Rome and asked Fellini if he would accept me as an assistant for his next film; he did. However, my encounter with Fellini in 1966 happened at a time when he was in a serious creative crisis during which his dreams guided him away from personal narratives toward more archetypal themes. We will watch two of his films that represent the beginning and the end of this crisis.
